

Amarr OPENINGS IN WOOD[®]

Openings in Wood. Creating a superior door starts by selecting the finest milled woods. Made in America by skilled craftsmen, each door is meticulously handcrafted for reliable performance and long-lasting beauty. With all-natural wood-on-wood construction, these doors add striking beauty and value to your home. Amarr's wood garage doors allow you to enjoy your distinctive individuality every time you arrive home.

BOB TIMBERLAKE® COLLECTION

Some call it staring. Others, admiring. Either way, you'll see a lot of that on your street. With a *Bob Timberlake* door, people can't help it. The craftsmanship is pure Americana, with all five carriage house styles reflecting the rural, rustic artistry that comes across in all of Bob Timberlake's unique designs. *Bob Timberlake* garage doors. Strong, stylish, casually elegant, and worth a second look. Maybe even a third.

¹ It is your responsibility to make sure your garage door meets local building codes.

² For complete warranty details, visit amarr.com or contact your local Amarr dealer.

Doors are shipped natural. Priming is available for paint grade doors. All doors require finishing on all six (6) sides of each section within two days of receipt of door(s) and prior to installation. Visit amarr.com for finishing recommendations.

HARDWARE SPECIFICATIONS

Track: 2" industrial grade galvanized .083 horizontal and vertical track. Standard lift 2SC-15" radius or 2LC-6" low headroom clearance. For doors over 650 lbs, 3" track.

Hinges: Up to 12': Single-end 11ga graduated galvanized. 12' and over: Double-end 11ga graduated galvanized.

Rollers: 2" nylon 10-ball bearing commercial rollers (short stem for up to 12'; long stem for 12' and over).

Struts: 3" galvanized struts

Counter Balance: 10,000 cycle torsion springs, cast aluminum cable drums, 1" diameter 11ga torsion tube. For doors over 650 lbs, solid core steel shaft and coupler if exceeding 151" in length.

Fasteners: Cadmium plated fasteners (standard) for on-door hardware and securing tracks to jambos. All hinge fasteners are factory installed with concealed bolt heads (under the trim overlay).

Operation: Manual push-up. No lock assembly is supplied. Electric openers with 3/4 hp recommended for best possible operation.

Doors available in various heights and widths. Hardware specifications are consistent with doors not exceeding 18' wide and 10' high. Requirements escalate with door size and weight and have limitations. Contact your local Amarr dealer for specific details.

Our Philosophy. Since 1951, we have successfully raised the standards of quality, value, and dependability in our industry. Today, with the same promise of individual attention and great value for all our customers, we remain committed to offering products and services that raise those standards even higher.

Visit amarr.com for additional products distributed by Amarr, such as a full line of residential garage doors, commercial sectional, rolling sheet, and rolling steel doors, Dynasty Iron Doors, garage flooring, and accessories.
